

# MVP Ventures Accountant Declaration

The Accountant Declaration is used to support applications to the MVP Ventures Program. Accountants are asked to complete all sections of the form below and return to the applicant to submit with summary financial statements (including profit and loss statements) for the last three financial years. If an applicant has been operating for less than three years, they are only required to provide financial information for the years they have been trading.

Based on the evidence supplied to me by the applicant organisation, I declare that:

- I have no conflict of interest with the applicant organisation.
- As specified in the MVP Ventures Program Guidelines, the applicant organisation has an aggregated turnover of less than A\$1 million for each of the financial years it has been operating prior to the lodgement of their application and has less than a total of 20 FTE (including founders) as at time of application.
- The applicant organisation has the ability to meet its share of any relevant funding obligations in relation to the MVP Ventures Program.
